Remaining ever committed to providing excellent customer service, Quedgeley Parish Council has recently taken on two new buildings whilst maintaining to an excellent standard our existing buildings and public spaces so enjoyed by all of our residents. QPC represents Quedgeley in its entirety and seeks to divide the precept evenly to cover all of its responsibilities, this includes funding further litter pickers for the Kingsway Area and meeting ever rising commitments, such as additional council tax fees, rental fees to the City Council and increased staffing costs associated with admin/cleaning and litter picking. With this in mind the average household will see an increase to contributions of £1.29 per annum. What will we provide? Increased visibility of staff/councillors and delivery of services, Increased grounds maintenance, ie Quedgeley Cemetery, Fisher's Meadow, fantastic community buildings right across Quedgeley at favoured rates for all of our residents, increased grants budget to support local organisations, community building events for all the family, an undertaking to move quickly with change and ultimately listen and provide a proactive 'can do' approach for all of our residents.
