

Quedgeley Parish Council in association with Gloucester South Police & The Orchard Pub & Restaurant Funday held in June 2010

This is the 3rd year of the Funday at Dimore II playing field, we had changed it a little, and hope that those attended enjoyed it. It was a fantastic day, with glorious sunshine all day. We had two live bands, bar was organised by James manager of The Orchard Pub in Quedgeley, together with food, plus Danter's funfair, various stalls and a lot more, including a Tug of War tournament, Gloucester South Police had a team the other teams were made up from people living in Quedgeley. After a fantastic game the winners were the Gloucester South Police—well done to them.

Below are a few pictures taken on the day. If you attended this event, what did you think of it? Have you any suggestions for next year funday event, please let us know via the website or office.
