

Kingsway Bus Lane (near Matalan)

WARNING! Avoid getting a £60 fine

We are now enforcing this bus lane with CCTV cameras

Please note: the underpass near Matalan in Quedgeley provides access for buses, taxis and emergency vehicles to and from the Kingsway estate.

Motorists ignoring the 'no access' signs are causing problems for emergency vehicles and authorised users. They are endangering pedestrians and cyclists.

The camera will be 'live' at the beginning of April and anyone caught illegally using the underpass will receive a £60 fine.
