Notes of the PUBLIC FORUM of Quedgeley Town Council Meeting on the 17th September 2018

Member of the press queried when the dog and litter bins at Fishers Meadow were emptied and if they were done on a schedule. The Clerk advised they are contracted to be emptied weekly but she was unsure of the day. He advised he has received complaints and visited the site and saw they were currently half to $\frac{3}{4}$ full.

Cllr Hawthorne reported as follows:

- Working with the Police and Gloucester City Council to offer the car boot sale site at Hempsted on a trial period to the 'drifters' to prevent them gathering at the Tesco car park and disturbing the neighbours.
- Looking at 3 sites, Clearwater (Severn Vale) Dimore I (Fieldcourt) and Green Farm to spend the S106 currently held by Gloucester City Council. He further advised if a representative from Quedgeley Council would like to attend the discussions they would be very welcome, please let him know.
- School at Clearwater Drive, no further update, public hearing end of November.
- £1.7m is due to be invested in the tow path, he is aware there are ongoing issues with the path between Quedgeley and Hardwicke and he is looking at a temporary measure with a view to a permanent connection in future.
- The standard of hedge cutting is an ongoing issue and he requested members highlight to him any areas of concern, it appears the contract is not being delivered correctly.
- Meeting Thursday with Cllr S Smith, Cllr G Smith the Clerk and several residents in relation to speeding in Green Farm.
- The bridge at Hempsted broke down and caused traffic chaos of over 2 hours, it appears the correct protocol was not followed which in turn lead to the problems.

There being no questions the meeting reconvened.
